

3DSA CONFERENCE COPYRIGHT FORM

This form is intended for original material submitted to the Three Dimensional Systems and Applications (3DSA) Conference and must accompany any such material in order to be published by the 3DSA Conference.

TITLE OF PAPER/PRESENTATION:

LIST OF AUTHORS:

Copyright Transfer

The undersigned hereby assigns to the Three Dimensional Systems and Applications (3DSA) Conference all rights under copyright that may exist in and to the above Work, any revised or expanded derivative works submitted to the 3DSA Conference by the undersigned based on the Work, and any associate written, audio and/or visual presentations or other enhancements accompanying the Work. The undersigned hereby warrants that the Work is original and that he/she is the author of the Work; to the extent the Work incorporates text passages, figures, data or other material from the works of others, the undersigned has obtained any necessary permissions.

Author Responsibilities

The 3DSA Conference distributes its technical publications throughout the world and wants to ensure that the material submitted to its publications is properly available to the readership of those publications. Authors must ensure that their Work meets the requirements that "It is the responsibility of the authors, not the 3DSA Conference, to determine whether disclosure of their material requires the prior consent of other parties and, if so, to obtain it." Authors are also advised of "Statements and opinions given in work published by the 3DSA Conference are the expression of the authors.

General Terms

- The undersigned represents that he/she has the power and authority to make and execute this assignment.
- The undersigned agrees to indemnify and hold harmless the 3DSA Conference from any damage or expense that may arise in the event of a breach of any of the warranties set forth above.
- For jointly authored Works, all joint authors should sign, or one of the authors should sign as authorized agent for the others.
